## To Those Whom I Love And Those Who Love Me

When I am gone, release me, let me go...  
I have so many things to see and do.  
You must not tie yourself to me with tears,  
be happy that we had so many years.

I gave you my love, you can only guess  
how much you gave me in happiness.  
I thank you for the love you each have shown,  
but now it is time I travelled on alone.

So grieve a while for me, if grieve you must  
then let your grief be comforted by trust.  
It is only for a while that we must part  
so bless the memories within your heart.

I will not be far away, for life goes on  
so if you need me, call and I will come.  
Though you cannot see or touch me I will be near,  
and if you listen with all your heart, you will hear  
all of my love around you soft and clear.

Then, when you must come this way alone,  
I will greet you with a smile and a "Welcome Home".
